Classroom Supplies

Classroom supplies including markers, rulers, colored pencils glue sticks, etc. will be purchased for the students to use in common. In addition, each student will receive a pencil pouch. A fee of \$8 will be assessed at the beginning of the school year. Art students may incur additional fees.

For your convenience, StC PTO offers a few options in preparing for the school year. You may order:

- A school supply kit with all supplies (excluding backpack & paper products) and/or
- The paper products (\$10 available to order with form in August paperwork)

Please note, if you order the paper products kit, the P.T.O. may use some of the money earmarked for paper towels or tissues to purchase other classroom and cafeteria supplies, such as hand sanitizer and gloves for the recycling line. This does not increase your cost but only reallocates how the money will be spent.

The kits will be delivered to St. Columban for individual pickup in August. Orders for the paper products kits will be available in the back-to-school paperwork available in August.
