StC Bookopoly Directions

Bookopoly is a summer reading quest for students entering grades 1-5. Your challenge, if you choose to accept it, is to complete StC Bookopoly! Step out of your reading comfort zone and experience new authors and genres while reaching your summer reading goals and earning prize rewards.

There are 8 colored Bookopoly categories plus 4 Reading Railroads and 2 Reader's Choice in play. You may pick and choose which Bookopolies you want to earn. A Bookopoly is all of the reading challenges of the same color. The more Bookopolies you complete, the higher your prize value.

Complete the **full board** and return the **ADULT SIGNED** Title List to be included in this fall's field trip. **YOUR FORM MUST BE HANDED IN ON THE FIRST DAY OF SCHOOL!**

Books need to be grade level appropriate! Mrs. Morman will make the final decision if your board is complete or not.

Parents,

Please challenge your student to read all summer! Studies have proven it makes a difference. We ask you to please be honest about what your child has accomplished.
